COVID-19 Resources for Individuals Who Are Undocumented or Uninsured

The State of New Jersey is focused on ensuring that all people, regardless of immigration status and/or whether or not they have health insurance, are protected from the outbreak and receive appropriate testing and treatment. You should talk to a medical professional about when and how to seek testing and treatment. Please read the following information carefully:

Am I eligible for COVID-19 testing?

- Am I eligible <a>V You must live in New Jersey.
- for COVID-19 Have a cough, fever, and shortness of breath.
 - Complete the COVID-19 Symptom Checker on https://self.covid19.nj.gov/ to see if you should be tested for COVID-19. The tool will help you know what actions you can take to protect you and your loved ones' health.

Where can I get tested?

Drive-thru Testing Centers. Read each testing center's requirements before leaving your home. For a list of testing sites and requirements visit: https://covid19.nj.gov/faqs/nj-information/testing-information/where-are-testing-centers-in-new-jersey

Cost: This is free of charge.

Pederally Qualified Health Centers (FQHCs). Federally Qualified Health Centers (FQHCs) provide health care and COVID-19 testing without cost to all people without insurance and without regard to immigration status. Please call your local Federally Qualified Health Center ahead of time for availability and instructions. A list of Federally Qualified Health Centers can be found at: https://www.nj.gov/health/fhs/primarycare/fqhc/.

Cost: This is free of charge.

Hospitals - Charity Care Program. The COVID-19 testing cost will be waived for uninsured individuals eligible for charity care. Information on Charity Care Program can be found at: https://www.nj.gov/health/charitycare/. You should talk to a medical provider before going to your local hospital.

COVID-19 Resources for Individuals Who Are Undocumented or Uninsured

Public Charge Rule:

What is Public Charge?

Some people who apply for a green card (lawful permanent residence) or a visa to enter the U.S. must pass a "public charge" test. The "public charge" test requires a person to show that they are not likely to become dependent on specific government programs. The new public charge test considers: Supplemental Nutrition Assistance Program (SNAP, EBT, Food Stamps), Federal Public Housing and Section 8 assistance, Medicaid (except for emergency services, children under 21 years, pregnant women and new mothers), and cash assistance programs (like SSI, TANF, General Assistance). Please check with your legal services provider if you have any questions.

Can I get tested despite the Public Charge Rule?

✓ Yes, <u>Immigration officials have confirmed</u> that testing, treatment, and preventative care related to COVID-19 will not negatively affect an individual's public charge analysis.

For more COVID-19 information:

Please visit the New Jersey Information Hub at: https://covid19.nj.gov/.

Call (General COVID-19 Questions): 2-1-1 (7a-11p)

Call (Clinical Questions): 1-800-962-1253 (24/7)

Text NJCOVID to 898-211 to receive alerts

Mental Health Hotline: 866-202-4357 (8a-8p)

10 things you can do to manage your COVID-19 symptoms at home

If you have possible or confirmed COVID-19:

 Stay home from work and school. And stay away from other public places. If you must go out, avoid using any kind of public transportation, ridesharing, or taxis.

6. Cover your cough and sneezes.

2. Monitor your symptoms carefully. If your symptoms get worse, call your healthcare provider immediately.

7. Wash your hands often with soap and water for at least 20 seconds or clean your hands with an alcohol-based hand sanitizer that contains at least 60% alcohol.

Get rest and stay hydrated.

8. As much as possible, stay in a specific room and away from other people in your home. Also, you should use a separate bathroom, if available. If you need to be around other people in or outside of the home, wear a facemask.

4. If you have a medical appointment, call the healthcare provider ahead of time and tell them that you have or may have COVID-19.

 Avoid sharing personal items with other people in your household, like dishes, towels, and bedding.

 For medical emergencies, call 911 and notify the dispatch personnel that you have or may have COVID-19.

Clean all surfaces that are touched often, like counters, tabletops, and doorknobs.
 Use household cleaning sprays or wipes according to the label instructions.

10 maneras de manejar los síntomas respiratorios en casa

Si tiene fiebre, tos o dificultad para respirar, llame a su proveedor de atención médica. Es posible que le recomienden manejar el cuidado de su salud en casa. Siga estos consejos:

1. Quédese en casa, no vaya al trabajo ni a la escuela, y evite visitar otros lugares públicos. Si debe salir, evite usar transporte público, vehículos compartidos o taxis.

 Cúbrase la nariz y la boca al toser o estornudar.

2. Monitoree sus síntomas con mucha atención. Si sus síntomas empeoran, llame de inmediato a su proveedor de atención médica.

 Lávese las manos frecuentemente con agua y jabón por al menos 20 segundos o límpieselas con un desinfectante de manos que contenga al menos un 60 % de alcohol.

 Descanse y manténgase hidratado.

8. En la medida de lo posible, quédese en una habitación específica y alejado de las demás personas que viven en su casa. Además, de ser posible, debería utilizar un baño separado. Si debe estar en contacto con otras personas dentro o fuera de su casa, use una mascarilla.

4. Si tiene una cita médica, llame al proveedor de atención médica antes de ir, e infórmele que tiene o podría tener COVID-19.

9. Evite compartir artículos personales con las demás personas en su casa, como platos, vasos, cubiertos, toallas y ropa de cama.

 Si tiene una emergencia médica, llame al 911 y avísele a la operadora que tiene o podría tener COVID-19.

10. Limpie todas las superficies que se tocan frecuentemente, como los mesones, las mesas y las manijas de las puertas. Utilice limpiadores de uso doméstico, ya sea en rociador o toallitas, según las instrucciones de la etiqueta.
